Re: Request for Corrected Filing Receipt for 09/743,182

Dear Sir or Madam:

The above-identified application is a U.S. National Phase Entry of PCT/FR99/01640. The inventor for this application, as well as the priority application, is Claude TEXIER, however, the Official Filing Receipt has a typographical error and lists the inventor's name as Clauder TEXIER. Enclosed is a copy of the International Publication Transmittal and the U.S. Declaration showing the correct spelling of the inventor's name.

We would appreciate your issuing a Corrected Filing Receipt.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact us.

Sincerely,

Melissa Garton
